OPEN COMPETITIVE JOB OPPORTUNITY

DEFINITION:

Under the direction of the Correctional Health Director, this position has responsibility for the management of Jail Mental Health Services (JMHS) programs. This includes any courts mandates such as the Department of Justice. This position provides administrative management, clinical supervision and accountability of all aspects JMHS. Services and programs are provided in custody facilities operated by the Los Angeles County Sheriff's Department. There are seven custody facilities housing an average population of approximately 17,500 presentenced and sentenced county jail inmates. Mental health services are available in all locations. The main locations for mental health screening and services are in Inmate Reception Center (IRC), 46 inpatient Licensed Mental Health Crisis beds, and approximate 450 mental health house beds, known as (High Observation Housing (HOH)). In addition to managing clinical programs, the position requires ongoing communication and collaboration with Sheriff's Department and the Office of County Counsel to oversee implementation of the Department of Justice recommendations and ongoing monitoring of JMHS. This will requires the development of a monitoring tool and tracking system to ensure compliance with the DOJ.

This position functions as a key member of the correctional health executive leadership team. This position will actively coordinate with the medical director, the director of substance abuse services and the care transitions director.

Essential Job Functions

- Overall management responsibility for administrative and clinical supervision of approximately 375 employees from multiple disciplines working in the 24/7 JMHS Program.
- Directs the clinical work performed by physicians, nurses, psychiatric social workers and other staff in JMHS.

- Develops, evaluates, oversees and directs the workforce training and development including hiring of mental health psychiatrists to ensure quality mental health services.
- Works collaboratively with the other department heads in the delivery of a comprehensive and integrated mental health program.
- Coordinates program interface with other departments by maintaining close communication and attending meetings such as weekly executive meetings.
- Provides oversight of the mental health budget which includes staffing, equipment, and appropriate utilization of vendors and contractors.
- Manages and oversees all quality management and quality improvement activities related to mental health including chairing a mental health subcommittee.
- Knowledge of Diagnostic and Statistical Manual of Mental Disorders (DSM) and appropriate treatment for such diagnosis.
- Knowledge of CTC standards in relation to mental health beds.
- Ensures clinical staff works with their designated scope of licensure.
